

Privacy Policy

What information do we collect? How do we use it?

When you book we need to know the name, email address and mailing address. This allows us to process and fulfill your order and notify you of your order status.

How does Fit n Active protect customer information?

We use a Secure Server for collecting personal information. The Secure Server Layer (SSL) encrypts (scrambles) all of the information you enter before it is transmitted over the internet and sent to us. Furthermore, all of the customer data we collect is protected against unauthorized access.

What about 'cookies'?

'Cookies' are small pieces of information that are stored by your browser on your computer's hard drive. We do not use cookies to collect or store any information about visitors or customers.

Will Fit n Active disclose the information to outside parties?

Fit n Active does not sell, trade, or rent your personal information to others. We may provide aggregate statistics about our customers, sales, traffic patterns, and related site information to reputable third-party vendors, but these statistics will not include personally identifying information.

Fit n Active may release account information when we believe, in good faith, that such release is reasonably necessary to (i) comply with law (ii) enforce or apply the terms of any of our user agreements or (iii) protect the rights, property or safety of fit n active , our users, or others.

In Summary

Fit n Active is committed to your protecting your privacy. We do not sell, trade, or rent your personal information to others.

Your Consent

By using our website, you consent to the collection and use of this information by fit n active. If we decide to change our Privacy Policy, we will post these changes on this page so that you are always aware of what information we collect, how we use it, and under what circumstances we disclose it.
